disposable
tableware products

Manufacturer of Bagasse Products

Growood India is a leading manufacturer of eco-friendly Bagasse Products. Our Bagasse Products are made from renewable sugarcane pulp, which is a byproduct of the sugar industry. By using Bagasse Products, you can help reduce your carbon footprint and protect the planet for future generations.

Our Bagasse Products are biodegradable, compostable, and microwave-safe, making them ideal for a wide range of applications. Whether you need disposable plates, bowls, cups, or takeout containers, we have you covered. Our products are sturdy, durable, and can withstand hot and cold temperatures without leaking or breaking. They are perfect for use in restaurants, cafes, hotels, schools, and other food service establishments.

ELEVATE THE EXPERIENCE

Deliver The In-Person Experience To Off-Premise Customers

Let your packaging do the talking. Whether you're serving customers on- or off-premise, making a memorable first impression and enhancing the dining experience has never been more important.

BUILD CONFIDENCE & TRUST

Tamper-Evident Packaging Protects Your Customers & Business

Let your packaging do the talking. Whether you're serving customers on- or off-premise, making a memorable first impression and enhancing the dining experience has never been more important.

MINIMIZE YOUR CARBON FOOTPRINT

Choose Single-Use Products That Promote Sustainability

The change starts with you. We're committed to providing sustainable packaging options that are biodegradable, compostable, or recyclable and don't compromise on function or quality.

#Greenology

- ✓ Natural: Made from 100% Natural Renewable Sugarcane Fiber
