# ABOUT

## WHO WE ARE

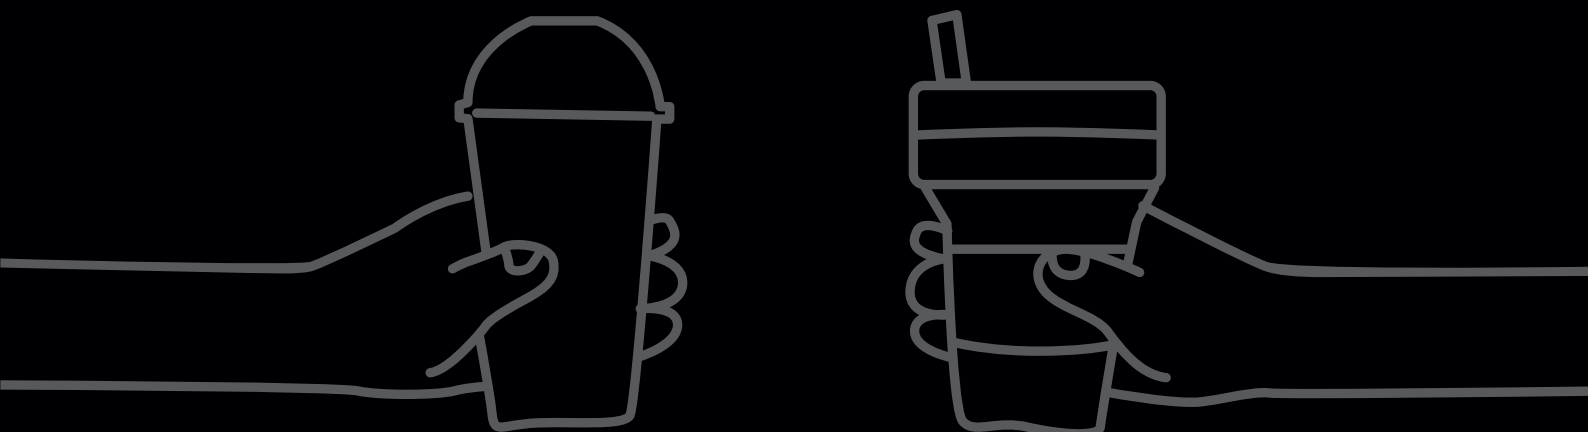

Growood is a long-established manufacturer of high-quality, sturdy, and biodegradable paper cups in the Indian market. We have a broad portfolio of affordable paper cup products that are designed to hold several types of beverage.

## WHAT WE DO

We are focussed on delivering exceptional value to our clients by working closely with them to create paper product solutions for beverages that meet their requirements in a reliable, affordable, and yet sustainable and eco-friendly manner that helps protect our planet for our children and future generations.

## HARDWARE STRENGTH

Growood attaches great importance to optimize the production lines which focus on both quality and quantity. Based on an in-depth analysis of the emerging technology industries, it is making tangible improvements in upgrading the equipment while strengthening its adaptability. Boasting various kinds of automated equipment that are highly advanced in the industry and flexible production plans for the orders, Growood can get the large-scale orders properly handled, as it meets flexible adjustment requirements at the same time.

## SINGLE WALL
